

Ostomy Education Day

April 9, 2011

New Iowa WOCN Affiliate sign

Dr Michael Page gave a presentation on parastomal hernias

Bob Molsberry gave an inspirational presentation on his life as an ostomate.

We had a panel of 4 WOC Nurses give short presentations about ostomy issues followed by a panel for questions from the participants.

We had 25 vendors participate

We had 13
WOCN's volunteer
their time for the
vendor fair.

Over all the day was
once again a success.

Thank you to the
committee and
volunteers for
their time and
commitment!
